

# JD Edwards World - Lead Analyst Needed for St. Louis Client

Opportunity is a 3 year contract-for-hire with potential to move into an IT Manager role.

Posted 2020-12-18

## Driven by Purpose

At Prophet One, we believe in holding ourselves to a higher standard. This belief has pushed us to pursue excellence not only for ourselves, but for each one of our clients.

We are looking for a dynamic individual who is a cultural *add*, not just a cultural fit, for our team. Someone whose passion shines in all they do. Someone who looks forward to helping us elevate who we are as they enjoy the excitement of being part of a thriving, value-based company. Let's grow to new heights together.

## Brief Position Overview

We are looking for an experienced and well-organized JD Edwards World Lead Analyst in St. Louis, MO.

## **Your Experience & Skills**

**Successful 10 years JDE World experience**

**Manage 3-6 person JDE apps & tech team**

**Design and manage major projects for development, testing and installation of JDE applications**

**Skills and desire to grow into I.T. MANAGER position (after conclusion of contract)**

## **Let's Do Something Great Together**

As a company, we're driven to succeed. We have lofty goals laid out for the next 10+ years that will require a special individual who wants to find a home and bring their expertise to an environment where they can grow and flourish, continually. We provide excellent benefits and a salary commensurate with your skills and experience.
